for sharing the Kindergarten Transitions Toolkit

Dear _____,

Transitioning children and families into kindergarten successfully doesn't happen by accident. It is the result of a quality and productive community partnership and planning process.

To support communities in their efforts to develop effective, satisfying and sustainable plans and practices, the Kansas Early Childhood Advisory Council has created a Kindergarten Transitions toolkit. The kit includes resources and a Memorandum Of Understanding (MOU) template which can be tailored to the needs and plans of each individual community.

We wish you great success!
